全文完。

开玩笑的，以下是傻瓜教程：

登录网站 <https://prenotasalute.regione.lombardia.it/prenotaonline/>

选择【PRENOTA SENZA RICETTA】无医嘱预约

The image shows two screenshots of the appointment website interface. The left screenshot is titled 'Prenota senza Ricetta' and contains instructions for booking without a prescription. It features a progress bar from 'SELEZIONA' to 'COMPLETA'. Below the instructions, there is a section for 'Prestazione di interesse' with a radio button selected for 'ACCESSO UFFICI SCELTA E REVOCA'. A red arrow points to a dark blue button labeled '+ SELEZIONA ALTRE PRESTAZIONI'. The right screenshot is also titled 'Prenota senza Ricetta' and shows the 'Prestazione di interesse' field with a dropdown menu and a '+' button. A red arrow points to the '+' button. Below this, there are fields for 'Codice Fiscale' (with a red annotation '个人税号 CODICE FISCALE') and 'Ultime 5 cifre della tessera sanitaria' (with a red annotation '医疗卡背面左下角一串数字的最后5位数'). A dark blue button labeled 'Torna alla lista' is visible. At the bottom right, there is a 'CONFERMA' button.

要点【+】，出现下面的选项：

The image shows a dropdown menu titled 'Seleziona una prestazione di interesse'. The search bar contains the text 'VACCINO' and a red annotation '输入“VACCINO”就出现这选项'. Below the search bar, the option 'VACCINO ANTI PAPILOMAVIRUS (HPV)' is highlighted with a red arrow. A 'CHIUDI' button is visible in the bottom right corner of the dropdown.

在勾选【VACCINO ANTI PAPILOMAVIRUS】
和输入自己的资料后，点击【CONFERMA】（确认）

The screenshot shows a web form for booking an HPV vaccine appointment. The form is titled "Prestazione/i VACCINO ANTI PAPILOMAVIRUS (HPV)". It has several sections:

- Dove (Where):** A dropdown menu for "Provincia" with "MILANO CITTA'" selected.
- Quando (When):** A date field for "A partire da" (Starting from) with the date "20/10/2021".
- Giorni settimanali e fascia oraria (Days and time slot):** A grid of checkboxes for days of the week (Tutti, Lun, Mar, Mer, Gio, Ven, Sab, Dom) and time slots (Tutte, Mattina, Pomeriggio). All are checked.
- Recapiti di contatto (Contact details):** Fields for "Telefono" (labeled "联系方式") and "Email" (with "@gmail.com" visible). A checkbox "Ricordami i recapiti di contatto al prossimo utilizzo" is checked.

At the bottom right, there is a blue "CONFERMA" button and a green "最后确认" label with a red arrow pointing to the button. A note at the bottom left says "* I campi con l'asterisco sono obbligatori." (Fields with an asterisk are mandatory).

如果是米兰市区以外的，可以从下述城市名单里选择
注意，【MILANO CITTA'】是市区，而【MILANO PROVINCIA】是米兰省

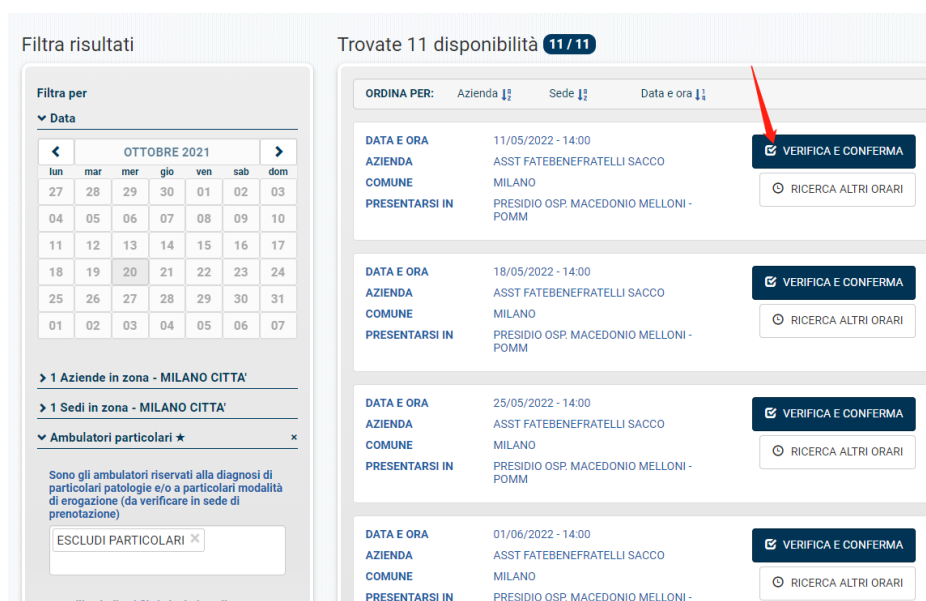

This screenshot shows the "Dove" section of the form, specifically the "Provincia" dropdown menu. The menu is open, showing a list of Italian provinces. "MILANO CITTA'" is currently selected. Other visible options include BERGAMO, BRESCIA, COMO, CREMONA, LECCO, LODI, MANTOVA, MILANO PROVINCIA, MONZA E DELLA BRIANZA, PAVIA, SONDRIO, and VARESE.

但是呢，您也别高兴太早了，目前仅米兰市区可以正常显示可预约的位置，
若搜索了其他城市，出现的是：

The screenshot shows a dark blue notification box with a white exclamation mark icon and the word "Attenzione". Below it is a light red box containing the text: "Non abbiamo trovato un appuntamento disponibile. Riprova, le aziende mettono a disposizione nuove date ogni giorno." At the bottom right of the notification area is a white button with the text "CHIUDI".

（大意是这里不玩现代自动化一套，乖乖来我们地区办公室约）

米兰也就一家医院打针（**MACEDONIO MELLONI 综合医院**），所以，最快的也要明年 5 月

第一针是自己选择的，后面的二针挨针后才能得知

当然，你若着急，可以自费找私立医院打

ASL 每一针 84.30 欧元，三针合计 252.90

自费的如 AUXIOLOGICO 私立医院，200~300/针

<https://www.auxologico.it/vaccini#description>

Santagostino 私立医院 <https://www.santagostino.it/it/prestazioni/hpv-papilloma-virus-gardasil-9> 报价：

Cervarix 170 欧元/针

Gardasil 9 200 欧元/针

（至于两者差别，<https://www.medtimes.com.hk/blogsingle-116.html>）

好了，祝广大妇女同胞挨针愉快
